### TO WHOM IT MAY CONCERN

1. At the Extraordinary General Meeting of Alcoholics Anonymous Malta held on the 6th February 2012 it was decided that Alcoholics Anonymous MALTA will bid for hosting the European Convention for Young People in AA in 2013. For this purpose an Independent Organizing Committee of the EURYPAA 2013 Malta Convention has been formed by the members of Alcoholics Anonymous Malta. The EURYPAA2013 MALTA will be held between the 21st and 23rd day of June 2013 after it had been awarded the host bid at the Copenhagen Eurypaa Convention in July 2012, by the AA members attending the said convention and by the EURYPAA Advisory Board. The Organizing Committee is directly responsible to the AA Malta members and must in all respects consult and liaise with the General Service Committee of AA MALTA and the EURYPAA Advisory Board.
2. The General Service Office of AA MALTA fully endorses and supports this initiative for the purpose of passing on the message to still suffering alcoholics in Malta and Gozo especially the younger generation. For this purpose the GSO offers the use of its premises in Valletta for any meetings needed to organize this event.
3. We wish everyone who attends this year's Malta EURYPAA 2013 Alcoholics Anonymous Convention the most fruitful experience! We will continue to offer our support and cooperation to this AA Convention.

Chairman

George L
