2. marts 2013

The structure of A.A. Denmark was very pleased that EURYPAA choose to let Copenhagen host the 3rd EURYPAA convention.

The Chairman of the General Service Board held a small talk at the convention and the EURYPAA committee borrowed funds from both the local area and the fellowship, to pay the hotel in advance.

In general the structure in Denmark supported and encouraged EURYPAA in any way possible without interfering in the planning and the convention.
